

COMING HOME

at the Steirereck Inn on the Pogusch as a service apprentice

Being part of a team of the best is inspiring, educational, motivating, rewarding, collaborative, formative and challenging.

This special team is accepting more members:

At our company, we put people and their performance first. Therefore, your age, background and previous experience have no bearing on an apprenticeship with us in the house. Nevertheless, we also offer a shortened apprenticeship period with us, should you have already learned another apprenticeship profession or completed a higher degree.

In our house we are looking for personalities & hosts with passion. Who want to learn an appreciative approach to the unique products of our farm and our producer friends. We always keep one goal in mind: to create a unique experience for our guests that is close to nature. We operate according to the motto hospitality: "The focus is not only on the guest, but also on friendship!"

With us, you will get to know the different stations in the service to gain extensive basic knowledge. You will work closely with your colleagues to ensure that your guests have a pleasant stay.

In the process, you and our staff will not only get to know the most varied products and their uses, but will also be motivated to join in the creativity of Austrian inn cuisine, which is practised every day. We produce a large part of our ingredients ourselves, with in-house slaughtering and farming. Authenticity as well as product honesty are deeply anchored in our philosophy.

The community within our team is our top priority, which is why team members at Steirereck see themselves as a cog in a large clockwork - because only with the help of interlocking cooperation can extraordinary goals be achieved and new paths opened up.

Restaurant Steirereck im Stadtpark, Am Heumarkt 2A (im Stadtpark), 1030 Wien
Tel.: +43 1 713 31 68, E-Mail: cominghome@steirereck.at, www.steirereck.at
